

**THE UNITED STATES VIRGIN ISLANDS  
OFFICE OF THE GOVERNOR  
GOVERNMENT HOUSE  
Charlotte Amalie, V.I. 00802  
340-774-0001**

**THIRTY-FOURTH SUPPLEMENTAL EXECUTIVE ORDER AND PROCLAMATION  
BY THE GOVERNOR  
OF THE UNITED STATES VIRGIN ISLANDS  
MODIFYING CONDITIONS OF THE "SAFER-AT-HOME" PHASE  
IN RESPONSE TO COVID-19 STATE OF EMERGENCY**

\*\*\*\*\*

**WHEREAS**, on March 13, 2020, the Governor issued the Executive Order and Proclamation Declaring a State of Emergency in response to the COVID-19 – CORONAVIRUS PANDEMIC ("Declaration of a State of Emergency"), and the Government has been coordinating the Territory's response and enforcing protective actions to address "COVID-19", a public health emergency that currently requires the Government to act and provide for the health, safety, and welfare of residents and visitors located in the Virgin Islands; and

**WHEREAS**, on April 2, 2020, the President of the United States declared that a major disaster exists in the Territory of the U.S. Virgin Islands based on COVID-19, and this major disaster declaration has not been lifted; and

**WHEREAS**, from March 13, 2020, through January 2022, the Governor has issued subsequent Executive Orders or Supplements with additional requirements and lifting of other restrictions of previous Executive Orders and Supplements to return to the "Safer-at-Home Phase"; and

**WHEREAS**, the "Safer-at-Home Phase" requires continuous guidance to be given to the public about what is restricted and permissible during this phase and while still within a "State of Emergency" due to the danger and threat of COVID-19; and

**WHEREAS**, the Executive Order Declaring a State of Emergency dated March 13, 2020, invoked the Virgin Islands Territorial Emergency Management Act, 23 V.I.C. § 1001 - 1016 and authorized the Governor to exercise the powers and duties set forth therein to direct and aid the response to, recovery from, and guidance for the mitigation as well as response to emergencies; and

**WHEREAS**, the Virgin Islands Department of Health ("DOH") received confirmation

that, as of January 31, 2022, as many as 14903 persons, including 101 deceased persons, tested positive for COVID-19 in the Virgin Islands, with 473 currently active cases, and additional testing of individuals for COVID-19 are still being made or pending; and

**WHEREAS**, imposing guidelines and restrictions during the Territory’s “Safer-at-Home Phase” is vital to the protection, health, safety, and welfare of residents and visitors of the Territory as well as continuing the response and mitigation process.

**NOW, THEREFORE**, I, Albert Bryan Jr, Governor of the United States Virgin Islands, under the authority granted to me by Section 11 of the Revised Organic Act of 1954 (as amended), 23 V.I.C. § 1005, and pursuant to all the afore-cited sections of the Virgin Islands Code, as well as all previous Executive Orders issued from March 13, 2020, through January 7, 2022, as amended, supplemented, renewed, and extended, do hereby ORDER:

**SECTION 1.** *Effective immediately, the Twenty-First Supplemental Executive Order issued on January 27, 2021, as amended, is further amended in Section 4. subsection B. by striking the language in its entirety and inserting a new subsection B to read as follows:*

*“B. Every person who travels to or enters the Territory of the U.S. Virgin Islands, before boarding the aircraft or vessel, must present one of the following:*

- 1) a COVID-19 negative PCR or antigen test result obtained within 5-days of commencement of travel to the U.S. Virgin Islands, OR*
- 2) a vaccination card showing completed COVID-19 vaccination, with any COVID-19 vaccine approved by the Centers for Disease Control and Prevention or the World Health Organization, administered in the U.S. Virgin Islands as approved by the Department of Health. Completion of the vaccine series must be at least 2 weeks prior to entering the U.S.V.I.*

*\*Proof of testing must be uploaded through the U.S. Virgin Islands Travel Screening Portal (<https://uvitravelportal.com/>) while vaccination certification administered in the U.S. Virgin Islands as approved by the V.I. Department of Health may be selected in the portal. Travelers and Passengers must receive, through the portal, final clearance in the form of the Green QR Code to enter the U.S. Virgin Islands.*

*(Note: Federal guidelines and restrictions continue to apply to all international travel, including travel from the British Virgin Islands)”*

**SECTION 2.** All other terms, requirements, and conditions of the March 13, 2020, State of Emergency, as amended, supplemented, renewed, and extended shall continue in full force and effect unless earlier lifted, further amended, or extended by order of the Governor of the United States Virgin Islands.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the Seal of the Government of the United States Virgin Islands to be affixed at Charlotte Amalie, St. Thomas, Virgin Islands, this 1<sup>st</sup> day of February, A.D., 2022.

  
Tregenza A. Roach Esq.  
Acting Governor
